Assessment comments

Example 1: HLP2

Subject: Economics

Component: HL paper 2

Question 1 Part	Marks awarded	Marks available	Comments
(a)(i)	1	2	The definition is too vague.
(a)(ii)	1	2	The definition is incomplete.
(b)(i)	2	3	Increased revenue is not identified as such.
(b)(ii)	2	2	The correct working and answer are provided.
(c)	1	4	No marks have been allotted for the first part. One mark is provided for referring to the logistical economy of scale.
(d)	2	4	Zero marks are awarded for the diagram. Two marks are awarded for the explanation.
(e)	1	4	Zero marks are awarded for the diagram. One mark is allotted for the partial explanation.
(f)	1	4	Zero marks are awarded for the diagram. One mark is allotted for the partially correct explanation.
(g)	4	15	Given the very limited focus on the impacts of foreign direct investment and trade on economic development, the best fit within the four-to-six markband for this response is four marks.
Total	**15**	**40**
