Example 3: HLP2

Subject: Economics

Component: HL paper 2

Question 2 Part	Marks awarded	Marks available	Comments
(a)(i)	1	2	Only one correct sustainable development goal is provided.
(a)(ii)	1	2	A partial definition is provided.
(b)(i)	0	3	The quality of the diagram is poor as it is unlabelled.
(b)(ii)	0	2	The working is incorrect, leading to the wrong result.
(c)	0	4	The diagram is missing, and the explanation is poor.
(d)	0	4	The diagram and explanation are incorrect.
(e)	Not rated	4	An answer has not been provided/the question was not attempted.
(f)	2	4	The diagram and explanation are partially correct (one plus one marks).
(g)	2	15	Given the lack of appropriate theories and that most of this answer is off topic, the best fit for it is two marks (middle of the one-to-three markband).
