Assessment comments

Example 4: HLP2

Subject: Economics

Component: HL paper 2

Question 2 Part	Marks awarded	Marks available	Comments
(a)(i)	2	2	Two correct sustainable development goals are provided.
(a)(ii)	2	2	The definition is good.
(b)(i)	3	3	The diagram is good.
(b)(ii)	1	2	While the working is correct, the rounding up of the result is incorrect.
(c)	2	4	The diagram is poor, but the explanation is sufficient (zero plus two marks).
(d)	4	4	Both the diagram and explanation are good.
(e)	0	4	Both the diagram and explanation are incorrect.
(f)	3	4	The diagram is partially correct, and the explanation is sufficient (one plus two marks).
(g)	11	15	Using the best-fit approach and given that most of the criteria fall into the 10-to-12 markband, this answer is awarded 11 marks.
Total	**28**	**40**
